FAQs

Q: How do I get a join code for my child?
A: Please ask your child's teacher or school for the code. We don't give them out directly to parents for safeguarding.

Q: What devices can I use MarvellousMe on?
A: MarvellousMe works best on Apple and Android phones and tablets, providing instant notifications. For desktop, or Windows devices, you can access it via the web browser. We recommend using Chrome.

Q: How do I switch on notifications on my Apple or Android app?
A: If you didn't accept notifications when you downloaded the app, you can either reinstall it, or configure notifications in your device's main Settings. We recommend choosing the 'Persistent' alerts setting.

Q: Do I need to sign up again to add a second child, or more children?
A: No, you just need to sign up to MarvellousMe once. You then tap the 'Add Child' button, to add the codes for additional children.

Q: Can my partner and child's grandparents use the app too?
A: Yes, you can invite people you trust to join up. Either give them the same code that you used, or invite them by tapping 'Share you app' in 'Settings'.

Q: Can I message teachers back?
A: No, we have restricted this to save teachers from inbox overload and extra work. Please Hi5 teachers back, to show them that you have read their news and appreciate them keeping you better informed.

Q: How safe is MarvellousMe?
A: Very. All data is encrypted to industry standards and best practice. Data is hosted in full compliance with latest UK legislation and GDPR.
